THE ABRAHAMIC BUSINESS CIRCLE

TOLERANCE IS THE KEY

A Special Thanks to our Patron

His Highness Sheikh Juma Bin Maktoum Juma Al Maktoum

Ladies and Gentlemen,

I am very pleased to genuinely congratulate The Abrahamic Business Circle for promoting economic diplomacy through business. Your newly founded organization serves as a valuable reference for exploring new business opportunities and relationships which now play a crucial role in expanding the network.

You are doing a fine job by building bridges and, therefore, contributing significantly to our objective of creating a unique, vibrant and well-connected business community. The global members of the organization including the Jewish and Arabs business communities have a shared vision of tolerance, prosperity and economic peace that match perfectly well with the UAE's cosmopolitan and multicultural environment.

I wish all the best to Dr. Nagel, founder and Chairman, as well as the Advisory Executive Board and all the Circle's members for delivering a great service to the UAE's business community. Please keep on working optimally in your own unique way.

Kindest regards,

HH Sheikh Juma Bin Maktoum Juma Al Maktoum
