Accounts from the Past Event: LET'S HEAR IT FROM SOME OF THEM!

*"It's taken me a few days to pin down my thoughts on the first Abrahamamic Business Circle Investors Roundtable in Tel Aviv. I can begin by saying that I was very much surprised by the prominence of the participants. Not only did I network with business owners from countries such as the United Arab Emirates, I was also privileged to discuss e-commerce opportunities with a number of dignitaries including the ambassadors of Grenada and Vietnam themselves. But to be honest, the event struck me as being much more than about networking. While tolerance and "diplomacy through business" are themes of the Business Circle, many of the attendees were much more than business partners; they were friends. From Business Circle Global Ambassador Joy Malka Rothenberg's award presentation to the Bahraini Ambassador to the joyful conversations between regular attendees, it is clear that something more is being built here: perhaps a better future. Thank you Dr. Raphael Nagel and THE ABRAHAMIC BUSINESS CIRCLE for bringing us down this path."- **Eliezer Rosenblatt**, Decentralizing the Internet at FutureEcom / Entrepreneur and Attorney*

*"Great pleasure participating at the first ever Tel Aviv gathering of the THE ABRAHAMIC BUSINESS CIRCLE! Much appreciation to Dr. Raphael Nagel and the dedicated team for their leadership and continued work to maintain and expand this valuable business group. Way to go! Much gratitude to the THE ABRAHAMIC BUSINESS CIRCLE for their generosity in awarding EBN & CO - Erdinast, Ben Nathan, Toledano & Co. With Hamburger Evron with this prestigious recognition in the field of Cross Border M&A! We are honored to be your partners in this remarkable journey to connect business leaders worldwide. Thanks a lot to Dr. Raphael Nagel for his leadership and ongoing support!"- **Lior Oren**, M&A Partner | Management Team Member at Erdinast, Ben Nathan, Toledano & Co. Advocates | UAE & GCC Practice*

*"Thank you all for your hard efforts in planning last week's incredible event! See you in March"- **Orelle Khalili**, Investment Manager at Capital Nature*

*"It is my honour and pleasure to be a part of such an important organization. Thank-you, Dr. Nagel for all you do to advance understanding and friendship between nations."- **Alvin Schonfeld**, Ambassador of Grenada to the State of Israel*

*"An amazing week in Israel promoting Ras Al Khaimah to major companies and key business agencies. Thanks also to The Abrahamamic Business Circle for the opportunity to present to 60 of their members. Lots of follow-ups to do! Hope to be back soon."- **John Cunliffe**, Strategic Business Development Director at Ras Al Khaimah Economic Zone (RAKEZ)*

*"There is a special joy one gets when you are a part of something that grows beyond your expectations. That is how I felt today at THE ABRAHAMIC BUSINESS CIRCLE event at the Hilton Tel Aviv & The Vista at Hilton Tel Aviv. As one of the first Advisory Board members to join Dr. Raphael Nagel in establishing this organization, it is amazing to see how we have grown since our early events in Dubai. The organization has members from around the world and has spread its wings beyond the Middle East. Today's event proved that the experiment worked and that the best way to make peace is through personal connections which often grow through mutual business interests. I look forward to our continued growth and prosperity in the coming years. Thank you to Ambassador Khaled Yousif Al Jalahma, Yigal I. Unna, Ambassador Alvin Schonfeld and so many others who made today's event so special."- **Rena Krakowski-Riger**, Global Strategic Consultant with a proven track record*

*"I was invited yesterday to EU MS Scientific and Commercial Counsellors Meeting and I met there Mr. Tomas Kadlec the commercial counselor of the Czech Republic, in the Tel Aviv embassy. He told me that he was really impressed by the Abrahamamic Business Circle, the people that were there, and the atmosphere as well. This is a good indication from someone who came without any expectations or business motivation. Please forward to Dr. Rafael Nagel my appreciation for his effort to create a forum that knows how to hug the visitors and the members as well. See you all soon. It was great to have THE ABRAHAMIC BUSINESS CIRCLE event in Tel Aviv. It is always a good opportunity to meet new wonderful people from all over the globe that have a common interest to make the world better through business cooperation"- **Ronen Katz**, CEO and Co-Founder - TriSolar*
