His Highness Sheikh Juma Bin Maktoum Juma Al Maktoum

Ladies and Gentlemen,

I am very pleased to genuinely congratulate The Abrahamic Business Circle for promoting economic diplomacy through business. Your newly founded organization serves as a valuable reference for exploring new business opportunities and relationships which now play a crucial role in expanding the network.

You are doing a fine job by building bridges and, therefore, contributing significantly to our objective of creating a unique, vibrant and well-connected business community. The global members of the organization including the Jewish and Arabs business communities have a shared vision of tolerance, prosperity and economic peace that match perfectly well with the UAE's cosmopolitan and multicultural environment.

I wish all the best to Dr. Nagel, founder and Chairman, as well as the Advisory Executive Board and all the Circle's members for delivering a great service to the UAE's business community. Please keep on working optimally in your own unique way.

Kindest regards,

HH Sheikh Juma Bin Maktoum Juma Al Maktoum

A Message from the Chairman

“Finally, the time is right to grow together what belongs together”

Our big dream is to create common market of the Middle East, with more than 400 million people living in it. I have always admired the policy of the UAE in terms of how open-minded they have been. The global members of the organization have all shared a vision of tolerance, prosperity and economic peace that align perfectly well with the UAE’s cosmopolitan and multicultural environment.

At The Abrahamic Business Circle, we see economic diplomacy as a tool to create long-term relationships between populations of the different countries and religions, we want to create a space where entrepreneurs and scientists from all over the globe can work together collaboratively.

Sincerely,

Dr. Raphael Nagel

ECONOMIC DIPLOMACY promoted through INVESTMENTS

The Abrahamic Business Circle is your Global Growth Partner.

We continuously work with governments and businesses in the Middle East and around the World to boost global trade and investment.

The Abrahamic Business Circle is an exclusive Private Members Network focused on promoting global economic diplomacy through investments.

The organization is composed of Private Investors, Entrepreneurs, UHNWI, Royal Families, Corporates and Diplomats.

Our activities strive to demonstrate how entrepreneurship and investments from all part of the world can make positive changes in triple sustainability around the globe.

ABOUT US

The Abrahamic Business Circle Investors Roundtable in London, Royal Automobile Club-Pall Mall, London-June 8, 2023

The Abrahamic Business Circle is an association of high-profile individuals across the globe that have a shared vision of tolerance, prosperity, and peace.

The organization has grown rapidly to become a major player to amass Investors and Entrepreneurs under one roof.

The Abrahamic Business Circle is an apolitical and areligious group focused only on closing deals.

Global investors in The Abrahamic Business Circle are specializing in actively managed equity, in strategic partners with startups, and investors that have a long-standing history of expertise in Impact Investment.

With Members coming from 56 countries, investments exchanged have been increasing since its inception. Whether your business is abroad, a long-time, or a newcomer in Dubai, The Abrahamic Business Circle strives to make your Membership experience worthwhile and rewarding.

"MAVERICK: The Revolutionary Laptop by AMERIA"

Presented by:
ALBRECHT METTER
FOUNDER & CEO
AMERIA AG

AMERIA AG **Creating a Touchfree Future**

AMERIA revolutionizes human-machine interfaces. Touchfree, gesture-based control will change how we interact with screens in public, at work and with our favorite personal devices. AMERIA shapes the way we relate to technology in the world of tomorrow.

By adding a new dimension to all digital devices AMERIA is creating the best & most immersive user experience for all interactions in our daily lives. AMERIA's experience and the comprehensive portfolio combining hardware, cloud software and advanced UI/UX enable the next level of intuitive interaction with machines.

The solutions of the Heidelberg, Germany-based company have wowed customers from automotive, retail, consumer goods, events, industry, gastronomy, the public sector, and the healthcare industry.

With an established customer base in Europe AMERIA wants to explore the Middle East region looking for new business partners and customers.

AMERIA will be presenting its comprehensive AV Experience portfolio at GITEX as part of a collaboration with an established Middle East telecommunications company. While the technology has potential for all areas of our daily lives, **founding CEO Albrecht Metter will present a first at The Abrahamic Business Circle: Never shown to a public audience before - AMERIA's disruptive consumer electronic device based on Touchfree technology and AI: "Maverick".**

14:30

ARTUKBEY KAHVE **"A Franchise Opportunity with a Growing 4th Generation Coffee Business"**

Presented by:
DR. FRANK MUSMAR
PRESIDENT - ADVISORY BOARD OF
MARYLAND UNIVERSITY |
CEO - KARYALI LLC
&
TACETTIN (ARTUKBEY) YERTÜM
FOUNDER & CEO
ARTUKBEY KAHVE

ARTUKBEY KAHVE A.Ş

As the fourth-generation grandchildren of our family, which has been in Commerce since 1910, we carry our love of coffee, which we inherited from our elders, into the future.

Our first retail branch, ARTUKBEY KAHVE, was opened in 1998 with small dreams. It was the beginning of a journey that went far beyond our expectations. With our innovative ideas, hard work, dedication, and passion for coffee that we inherited from our genes, we have rebranded ARTUKBEY KAHVE with its new image today. We continue to work every day to perfect the quality of the experience we offer our customers.

Between 2022 and 2023, the brand adopted a very competitive and fundamental strategy, rebranding as **ARTUKBEY Sentez**. This new brand has a completely different strategy for branding, location, store design, product development, packaging, franchise support, marketing, IT, and people training and development programs.

ARTUKBEY KAHVE, which has a long history of providing superior products and services, aims to establish long-term relationships with the franchise opportunities we offer and help our business partners achieve their goals.

Under Tacettin's leadership, ARTUKBEY Sentez has received a very positive market reaction, opening 20 new stores in less than a year. The company plans to reach around 130 stores by the end of 2023. Tacettin is also a great philanthropist, working with many NGOs in Turkey to improve the well-being of people in need.

Presented by:
FJOLLA HOLZLEITHNER
CEO AND FOUNDER
DAYHOLI GmbH

DAYHOLI GmbH VR, Travel, and Entertainment

Dayholi VR is a virtual reality company that specializes in creating immersive 360° videos in 8k resolution. Our mission is to revolutionize the travel industry by providing customers with a unique and unforgettable experience that enables them to travel to different destinations without leaving their homes.

Our company is based in Graz, Austria, and we have a dedicated team of professionals who are passionate about virtual reality technology and innovation. At Dayholi VR, we are committed to using the latest technology and techniques to create immersive experiences that transport customers to different destinations.

We are seeking investment for our own project, which is to accelerate the growth of Dayholi VR and expand our reach globally.

To achieve our goal, we are seeking investments to:

- Develop new and innovative technologies that enhance the customer experience
- Expand our team and attract top talent to help us achieve our vision
- Establish strategic partnerships with travel companies and airlines to integrate our technology into their offerings
- Expand our reach globally and establish ourselves as a leader in the virtual reality industry

We are confident that with the right investments and partnerships, we can achieve our vision and transform the travel industry..

"Next Generation Venture Building"

Presented by:
CHRISTIAN SAUER
FOUNDER
Soonami.io GmbH

soonami.io GmbH
Venture Launchpad for Crypto and AI Projects

soonami.io is a launchpad for teams and ideas to grow in the space of crypto / web3 / DLT. Our mission is to build long-term partnerships with highly skilled teams to empower a decentralized infrastructure.

There are more than 5,000 hackathons being organized each year with more than 200,000 hackathon projects. Almost all of these are dead after max 6 months. A lot of great ventures have arisen from hackathons nevertheless. We want to let 1% of hackathon projects survive and generate a deal flow of > 1,000 projects per year to be invested in.

We are looking to close our round of 5M with 1.5M already being committed by our lead investor. soonami.io is developing the next generation of venture building, decentralized and powered by AI. We make hackathon projects investable. We are looking for an investment in soonami.io GmbH. We are also investing in AI.

soonami.io is a German GmbH and Foundance AG is a Swiss Stock Company. We are open to building companies in different geolocations and are in discussions with different countries to accelerate venture building for them.

<p>16:30</p> <p>"CONEXT - A Game Changer Technology for the Con-tech and Concrete Industry"</p> <p>Presented by: SHAVIT OR CHAIRMAN CONEXT GLOBAL ADVANCE TECH</p>	<p>CONEXT GLOBAL ADVANCE TECH</p> <p>Conext Global Advance Tech is a construction, sustainability, data analysis, and IOT industry. Conext is a unique startup that has developed a control and monitoring system with machine learning for concrete mixer trucks in the construction industry.</p> <p>Our system handles one of the most challenging and critical phenomena: the quality deterioration of concrete mix until it reaches the pour site.</p> <p>Our contribution to the industry is vital, as we help reduce waste of cement, heat, and air pollution significantly by significantly lowering CO2 emissions. Conext's system enables real-time detection and correction of concrete mix quality through the integration of various state-of-the-art technologies, including sensor software with patentable algorithms, and IoT and communications infrastructures that can operate in harsh environmental conditions. Concrete is the second most consumed resource in the world after water, with an estimated market size of 4.3 billion cubic meters yearly.</p> <p>Our business strategy is to target leading global concrete and material producers with our unique SAAS (Software as a Service) business model. ConextGlobal has successfully conducted several pilots with one of the world's leading concrete companies (CEMEX Israel).</p> <p>We are seeking investment and strategic partners in the near future. The investments we are looking for are 2M\$ to 4M\$.</p>
